Institutional efforts / initiatives in providing an inclusive environment.

India is a secular nation with an ethnically diverse population that is reflected in the country's linguistic, regional, and religious diversity.

India's beauty is reflected in the peaceful coexistence of people of different castes, religions, ethnic identities, and linguistic backgrounds. All Indians have internalized the values of brotherhood, harmony, and respect for one another. With students from several cultures, languages, religions, and geographical locations enrolled, the institution is like a miniature version of India. College consistently takes the lead in creating a welcoming atmosphere that encourages harmony and tolerance in order to succeed and achieve the following.

1. Cultural Diversity
2. Regional Diversity
3. Linguistic Diversity
4. Communal Socio Economic harmony
5. Sensitization of students and employees towards Constitutional obligations.

A. Tolerance and harmony towards regional diversity

To preserve the great diversity of cultures in India. Recognizing it's relevance, the institution makes sure that the curriculum includes a lesson on cultural diversity. Practically Institution does this by organizing the celebration of events and festivals to celebrate this diversity.

B. Tolerance and harmony towards regional diversity

Students from a variety of cultural origins are admitted to HEI, which celebrates cultural festivals, events, and more that all work toward unity.

C. Linguistic Diversity

The HEI itself is a "Minority Institution," with principals and staff making every effort to create and maintain diversity among students who speak different languages and come from different cultures.

D. Communal Socio-economic diversity

HEI does not discriminate against students based on their community or socioeconomic status.

E. Sensitization of students and employees towards Constitutional Obligations

To educate teaching and non-teaching staff members about their rights, obligations, and responsibilities as citizens, HEI organized a Faculty Development program. The ultimate goal of this is to cultivate and internalize the idea of social harmony.
